

Fishing books and magazines held in my personal library. I have noticed some titles that are owned but missing from the list.

The list of periodicals is incomplete and does not include complete holdings. The periodicals are still packed since our move.

Those titles listed as ebooks were downloaded from the Internet Archive, DOAB, or Google Books when they were freely available on the latter site

A title listed more than once is because more than one copy is owned.

Fishing facts (Northern ed.): Fishing facts. Northern ed. Menomonee Falls, Wis: Northwoods Pub. Co.

Fly fisherman. Manchester, Vt: Fly Fisherman Magazine, Inc.

Flydresser magazine. 7 Chapman Close, West Drayton, Middlesex, UK UB7 (LN: The Flydressers' Guild.

"The young angler's companion : giving a description of all the different methods of angling, the best baits and tackle, as well as the times and seasons for using them : illustrated with fifty engravings : also, a description of trolling and fly fishing, with a correct account of the manner of making artificial flies, tying hooks, repairing tackle, &c. &c."[Ebook]. London: Printed and published by James March. Electronic Book.

"The Young anglers' companion giving a description of all the different methods of angling, the best baits and tackle, as well as the times and seasons for using them."[Ebook]. London: James March.
